## Trinity Sunday Introduction to the Gospel

The people of Israel were unique among the nations of the ancient world in that they held to a belief in one God. But Jesus speaks of this God as 'Abba', Father. There is an implied relationship with God. Jesus also speaks of the spirit, for this Spirit will continue to speak the words of God and of Jesus and will glorify them. Thus begins the early Church's deep reflection on the mystery of Jesus and the relationship between Father, Son and Spirit. This Relationship was ultimately formulated

in what we now call the Trinity. In today's text Jesus is not simply addressing those present with him but all those who search for the truth down through the centuries to come. All of us are led to complete truth and understanding through the actions of the Spirit leading us to the Father and the Son. 'At the heart of the mystery of the Trinity is a Father whose love is incarnated in the Son who gives life to the world, and in the mutual love which exists between the Father and the Son and touches our lives as the Holy Spirit.
