

Gospel Matthew 22. 1-14

28th Sunday in Ordinary Time 2023 "Everything is ready; come to the Wedding Feast"

One of the most beautiful images of heaven in the Scriptures is the banquet and wedding celebration given by the King for his Son. We, in fact, have been invited to the most important banquet of all! The last book in the Bible ends with an invitation to the wedding <u>Feast of the Lamb and his Bride</u>, the Church: *The Spirit and the Bride say, Come! (Rev. 22:17).*

Jesus' parable contains two stories. The first has to do with the original guests invited to the Feast. How insulting for the invited guests to then refuse when the time for celebrating came! They made light of the King's request because they put their own interests above his. The second part of the story focuses on those who had no claim on the King and who would never have considered getting such an invitation.

This is certainly an invitation of grace -- undeserved, unmerited favour and kindness! But this invitation also contains a warning for those who refuse it or who approach the wedding feast unworthily. Grace is a free gift, but it is also an awesome responsibility. God invites each of us to His banquet that we may share in His joy. Are you ready to Feast at the Lord's banquet table?

"Lord, may I always know the joy of living in your presence and grow in the hope of seeing you face to face in your everlasting kingdom."

SAFEGUARDING TRAINING WORKSHOP

- Sunday 29th October after Mass in person session at Mother of Perpetual Help (Mass ends at 11:30am)
- Sunday 5th November after Mass session at St Ignatius (Mass ends at 10am).

In a few weeks' time Lisa-May (*former Plunket Nurse*) from the Diocese will be hosting a Session on Safeguarding after Mass at both St Ignatius and Mother of Perpetual Help Parishes. After a short break at the end of Mass, light refreshments will be provided in the Parish Centre before Lisa-May will run her interactive presentation. The session is about 40 min long is highly informative and as mentioned interactive. We encourage all parishioners to attend.

What is Safeguarding?

Safeguarding is promoting an environment which respects and acknowledges the dignity of each human being, and where people feel valued and safe. An important aspect of Safeguarding is responding to concerns of harm or abuse.

Why is Safeguarding important?

The Catholic Church in Aotearoa New Zealand has adopted the "Guidelines for the prevention of and response to sexual abuse in the Catholic Church in Aotearoa New Zealand"(National Safeguarding Guidelines). Safeguarding is one of the ways in we as a Catholic Community are addressing this

commitment to protecting everyone including the young and vulnerable in our community.

Who should attend

Those who work with vulnerable individuals such as the young or elderly are required to attend/complete Safeguarding training as part of their ministry. Additionally, any parishioner in a leadership role within the parish is required to attend/complete Safeguarding training, however we encourage all parishioners to attend so that we can collectively improve our knowledge and awareness.

Report Junk

We have been notified by a couple of parishioners regarding a text message they received from someone pretending to be Fr John.

This message is a **(phishing) Scam** and has not been sent by either Fr John or anyone associated with the Parish.

We are unsure how this person or persons have obtained parishioners phone numbers as our Database and systems are secure and have not been breached. What concerns us that the text messages address parishioners by name which may trick people into thinking that

these messages are genuine. They are not!

Above is a copy of the message received to help you identify any suspicious texts that you may receive.

For many months now, our Parish, Mother of Perpetual Help has been without a Parish Priest, and so we have been relying on our Bishop to supply a priest to celebrate Sunday Mass with us.

The uncertainty is an unsettling time for our Parish as we long for stability and continuity. Though we would prefer to be informed early as to which priest we can expect each Sunday, much advance notice is unlikely because it is difficult to find a priest who is available.

The members of the Parish Council and the Liturgy Committee are praying and trying to work out solutions, so we can share the information with you. This past Sunday, Fr. David Dowling celebrated Mass with us, and he will be coming on the next 3 Sundays. That is as much as we know.

Some parishioners have asked about Christmas Day Mass. The Parish Pastoral Council met on Monday and agreed to explore the feasibility of getting a priest to celebrate at Mother of Perpetual Help Parish on Christmas morning. At this time, we are uncertain if it will be possible. Meanwhile, as people of faith, we turn our gaze to Our Mother of Perpetual Help and Our Lord Jesus and pray earnestly for our Parish.
